Pre-school Applications

Decorative Panels for Washrooms

Duropol-HPL, Duropol-HPL Compact and DecoBoard (MFC) whilst having different performance characteristics still share the same surface colours and textures and can be combined on any washroom project – offering endless design possibilities.

Products:

DecoBoard (MFC)
2,800 x 2,100 mm
Thickness: 19 mm

Moisture-resistant glued particleboard, Type P3, suitable for areas with higher demands on moisture resistance.

Duropol-HPL
2,800 x 2,070 mm
Thickness: 0.8 mm

Decorative high-pressure laminate of classification HGP / VGP to EN 438-3 with robust melamine resin surface and sanded reverse. HPL is a perfect, hygienic, easy care and hardwearing surface choice for washrooms that require flexibility in both profile and design.

Duropol-HPL Compact
2,800 x 2,070 / 1,860 mm
Thickness: 12 mm

Compact high-pressure laminate, black core in the classification CGS to EN 438-4. With black core and decorative melamine resin surface on both sides. Waterproof and perfect for the wet conditions of toilet and shower cubicles.
