The Verve Collection

Laminate Worktops

Mountain Oak
Wooden Heart

A versatile collection of high pressure laminate worktops. An extensive assortment of designs from classic to contemporary and from large scale marbles to rustic timbers. From the tried and tested postformed radius worktops to contemporary square edged, our collection offers endless opportunities.

Range overview

- Made from high pressure laminate a highly durable and hygienic surface material perfect for the kitchen environment.
- A selection of 21 decors across two thicknesses 28mm and 38mm.
- Matching upstands and contrasting splashbacks available to complete the kitchen design.
- All worktops are manufactured to British standards and conform to EN438 through ISO 9001:2008 Business management systems.
- All raw materials come from responsibly managed and sustainable sources.
- Products are manufactured to the highest standards and tested against FIRA GOLD Product certification.

Product Specification

Postformed

13 decors available in a 6mm postformed radius providing a classic look.

Square edge

8 decors available in a modern square edge profile, providing a streamlined contemporary appearance and the opportunity to incorporate curves into the kitchen design.

Surface textures

The texture can make a big difference to the overall look and feel of a worktop, helping to create a realistic replication of the natural material. We have an impressive range of 9 surface textures throughout the collection.

Vista Splashbacks

A brand new range of kitchen splashbacks that make a great style statement behind a sink or hob area and offer a real alternative to traditional tiles. The choices in our Vista collection are all hardwearing and practical and come in 20 fantastic designs, showcasing the best of current and upcoming trends.

Range overview

- 20 inspirational designs from geometrics, bold prints, vintage inspiration and inner city chic.
- Utilising the latest innovation in surface technology and design to bring a unique collection of splashbacks on two substrates, MDF and acrylic.
- Double-sided decorative surface making shelves and slab-ends a possibility.
- Fast installation compared to tiles.
- No grout required, reducing installation mess and on-going maintenance.
